

Safety Metal Pro SA-14 *New*

KDS Self-Retracting safety knife provides an extra level of safety function. The blade automatically retracts when it loses contact with the cutting materials, even if the slider is kept at the forward position. Furthermore, SA-14 come with KDS original Power Black Evolution blade.

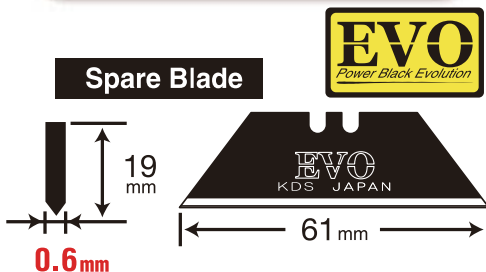

Even if the user forgets to release the slider, the knife can be used safely and effectively, because **CLICKED** blade always automatically retract.

Can be used for cutting strings

A spare blade in the handle. (Can be opened without any tools)
